Part I Geographical Position, Borders and Size of Bosnia and Herzegovina

1 Geographical Position, Spatial Coverage, and Size of Bosnia and Herzegovina	3
1.1 Geographical Position, Size, and Extreme Points	3
1.2 Shape	4
1.3 Landscape Zones and Spatial Coverage	5
1.4 Geopolitical Position	7
1.5 Traffic and Tourist-Geographical Position	9
References	10
2 Borders of Bosnia and Herzegovina	11
2.1 Origin of the Borders	11
2.2 Current Borders and Disputes	12
References	14

Part II Physical Geography of Bosnia and Herzegovina

3 Geology and Geotectonics of Bosnia and Herzegovina	17
3.1 Geological Formations and Petrographic Composition	17
3.1.1 Paleozoic Deposits	19
3.1.2 Mesozoic Deposits	22
3.1.3 Cenozoic Deposits	25
References	27
4 Geomorphology of Bosnia and Herzegovina	29
4.1 Morphological Characteristics of the Relief	29
4.2 Morphogenetic Characteristics of the Relief	35
References	38
5 Climatology of Bosnia and Herzegovina	39
5.1 General Climatic Characteristics	39
5.2 Barometric Depressions	40
5.3 Air Temperatures	42
5.4 Precipitation	44
5.5 Main Climate Types	54
5.5.1 Cf—Moderately Warm and Humid Climates	54
5.5.2 Cs—Mediterranean Climates	54
5.5.3 Df—Humid Boreal Climates	54
5.6 Main Climate Subtypes	55
References	57

6	Hydrography of Bosnia and Herzegovina	59
6.1	General Characteristics of the Hydrographic System	59
6.2	General Characteristics of the Basin Areas	60
6.2.1	Glina and Korana River	61
6.2.2	Una River	63
6.2.3	Vrba River	66
6.2.4	Bosna River	69
6.2.5	Drina	73
6.2.6	Immediate Basin of the Sava River	76
6.2.7	Neretva River	77
6.2.8	Trebišnjica River	82
6.2.9	Cetina and Krka	83
