							PAGES
PREFACE	4

BOOK I

CHAPTER I : Introduction to short-wave broad- casting	5
CHAPTER II : Behaviour of short-waves, reflection, echoes, kilocycles, megacycles, and metres	...						8
DIAGRAM SHOWING SHORT-WAVE PATHS							8
CHAPTER III : Choosing a receiver					11
DIAGRAMS : CONTROL PANEL OF TYPICAL COMMUNICATION RECEIVER					13
SECTIONS OF A SUPER-HETERODYNE	...						14
CHAPTER IV : The aerial and earth					14
SKETCHES : SHORT-WAVE AERIALS	...						16
CHAPTER V : Operating the receiver and tuning in	17
CHAPTER VI : Effects of sunspots and the aurora borealis	19
CHAPTER VII : Ether conditions					21
CHAPTER VIII : The chief bands. Logging the stations	23
CHAPTER IX : Hints on reception					26
DIAGRAM : DIRECTIONS					27
CHAPTER X : Time and relation of G.M.T. with other parts of the world					29
TIME ZONE CHART			30
SYMBOLS OF TIME AND RELATION TO G.M.T.							
CHAPTER XI : Station identification and cautions when listening	32
REPRODUCTIONS : TYPICAL QSL'S							34
							35

CHAPTER XII : The ultra-short-waves. Chief bands and reception differences	8
DIAGRAM : U.S.W. aerial	39
CHAPTER XIII : Use of the Morse Code. Identifi- cation of telegraphy and telephony stations	...		40
CHAPTER XIV : Stations in the British Empire			42
CHAPTER XV : High-fidelity programmes	...		43
CHAPTER XVI : More about receivers and how to set about their construction	45
DIAGRAMS : (a) Panel with base-board	...		46
(b) 4-pin S.W. coils	46
(c) Bandsread switching arrange- ment	46
(1) Circuit diagram using one valve	49
(2) Panel-Lay-out...	49
(3) Wiring diagram	49
Useful Circuits	50
CHAPTER XVII : Main units and chargers	...		52
NOTE (1) Beaming and examples	53
NOTE (2) Side-band Interference	53

BOOK II

Transmitting aerials	54
News in English (B.B.C. Services)	54
Language of the amateur fraternity		55
Some useful formulæ, terms, etc.	56
List of TELEGRAPHY STATIONS		56
Radio diagram symbols	57
Time Conversion LOG	58
World-Wide Mileage Chart	59
List of ULTRA-SHORT-WAVE BROADCASTING STATIONS	60
List of SHORT-WAVE BROADCASTING STATIONS	61
