Specially Written to Inspire, Motivate and Entertain

DENNIS ALEXANDER

Just for You, Book 1, is designed to motivate and inspire the first-year student through a wide variety of styles, musical demands and technical growth. Teachers using Alfred's Basic Piano Library will discover a close correlation with Level 1B, although the book may easily be used by students in almost any other first-year method course. The first year of lessons is indeed an important time in the life of any piano student, and the composer hopes that you and your students will find much pleasure from the pieces in this collection. Have fun!
