

# Just for You

A Collection of 10 Piano Solos in a Wide Variety of Styles and Moods  
Specially Written to Inspire, Motivate and Entertain

## DENNIS ALEXANDER

One of the biggest challenges facing teachers is finding good, sound motivational repertoire to inspire junior-high and high-school students who want music that is both entertaining and fun to practice. Every piece in this collection was written with those students in mind. Whether it be an exciting solo such as "Tarantella Fantastico," or a more lyrical and jazzy piece like "One of a Kind," your students will respond with a smile and renewed enthusiasm that is sure to make your teaching even more rewarding. I hope that you and your students enjoy playing these pieces as much as I enjoyed writing them! Sharing music with others is always more exciting when you find a collection written "Just for You!"
