

The Naxos logo consists of the word "NAXOS" in a bold, white, sans-serif font, centered within a dark blue rectangular background. Above the text, there are several thin, horizontal white lines.

The 'My First' album series from Naxos is the ideal springboard for a lifelong journey through classical music. Each selection is carefully tailored for younger listeners and includes famous tracks as well as unexpected gems. The booklet is full of information on every piece of music. Unique and imaginative, these CDs will open a door to a wonderful world that children and parents can discover together.

From folk music to film music, the violin is the star of instruments. Millions of children all over the world learn how to play it and the top performers make it sound beautiful. They can also do clever things on it, with their fingers whizzing up and down, and the bow moving so fast you can hardly see it. Take the music of Mr Paganini on track 1 - he *really* knew how to show off. Here is the violin in the spotlight: listen to it sing!
