Introduction	x
---------------------	----------

Chapter 1

Artificial Intelligence: What Is It?	1
---	----------

What Is AI?	2
AI in Our Lives	9
Why Bring AI Into the Classroom?	11
Where to Learn More	14
Key Takeaways	14
Questions for Reflection and Discussion	16

Chapter 2

Navigating AI's Ethical Implications	17
---	-----------

Why Teaching AI Ethics Matters	19
So How Do We Get Started?	19
Areas of Ethical Concern	20
Steps to Take	32
Resources for Teaching About Ethics and AI	34
Key Takeaways	45
Questions for Reflection and Discussion	46

Chapter 3

The Impact of AI in Education 47

The Big Disruptor	48
What Does AI Mean for Today's Classrooms?	49
How to Begin with AI Tools	68
Key Takeaways	70
Questions for Reflection and Discussion	71

Chapter 4

Putting ChatGPT and GenAI to Work 73

Prompt Engineering	74
Generative AI: Beyond Text Creation	82
Ideas for Using Generative AI in the Classroom	85
Key Takeaways	95
Questions for Reflection and Discussion	96

Chapter 5

Fostering Creators and Innovators with AI 97

Learn Together	98
Putting It Together: The First Lesson and Beyond	102
Key Takeaways	113
Questions for Reflection and Discussion	114

Chapter 6

AI Impact: Preparing Students for the Future of Work

115

AI's Impact on the Future Workplace	116
Help Students Discover Career and Skill Interests.	128
Key Takeaways	133
Questions for Reflection and Discussion	133

Chapter 7

Best Practices for Teaching AI

135

Some Don'ts and Some Dos	136
Questions for Reflection and Discussion	139
Looking Ahead	139

Appendix A

Sample Lesson Ideas for All Levels

141

Activity 1: Exploring AI with Chatbots	142
Activity 2: Introduction to AI and Robots	142
Activity 3: Ethics of AI in Decision-Making	143
Activity 4: AI in Healthcare and Ethical Considerations	143
Activity 5: AI and Machine Learning in Data Analysis	144
Activity 6: AI and Robotics in Automation	144
Workflow for Creating a Lesson Plan with Generative AI	145

Appendix B

Resources

151

Books, Articles, and More to Read	152
Organizations Offering AI Resources for Educators	153
Podcasts	156
Tools for Teachers	157
Videos	166
