

Abstract .....	7
Keywords .....	9
Introduction .....	10
Material and methods .....	10
Taxonomy and diversity .....	11
Catalogue of the <i>Palaminus</i> species of the Palaearctic and Oriental Regions, Wallacea and New Guinea .....	14
Morphology .....	21
Natural History .....	21
Conservation .....	23
Identification .....	23
Taxonomy of the species of the genus <i>Palaminus</i> .....	24
The <i>Palaminus</i> species of Sri Lanka, the Indian subcontinent and the Himalaya .....	24
The <i>Palaminus</i> species of Myanmar, China, Taiwan, Japan and Korea .....	65
The <i>Palaminus</i> species of continental Southeast Asia (Thailand, Laos, Vietnam, the Malay Peninsula and Singapore) .....	120
The <i>Palaminus</i> species of the Great Sunda Islands (Sumatra, Java, and Borneo) .....	194
Species from Java .....	194
Species from Sumatra .....	203
Species from Borneo .....	230
The <i>Palaminus</i> species of the Philippines .....	340
The <i>Palaminus</i> species of Wallacea (Sulawesi, Timor, Sumba, Ambon) .....	374
Species from Sulawesi .....	374
Species from other Sunda Islands .....	396
The <i>Palaminus</i> species of New Guinea .....	400
The <i>Palaminus</i> fauna of some Pacific Islands .....	455
Species from New Caledonia .....	455
Species from Vanuatu (New Hebrides) .....	462
Species from Fiji .....	465
Species from Guam .....	468
Species from Samoa .....	469
Species excluded from the fauna of the Palaearctic and Oriental regions .....	470
Acknowledgements .....	472
References .....	472
