## SECTION I

### Preparing for Surgery

- 1** Surgical Anatomy of the Female Pelvis 3  
Marlene M. Corton and John O. L. DeLancey
- 2** Preoperative Care of the Gynecologic Patient 43  
Khara M. Simpson and Karen C. Wang

## SECTION II

### Basic Principles of Gynecologic Surgery

- 3** Anesthesia Primer for the Gynecologist 63  
Christine P. McKenzie
- 4** Radiology Primer for the Gynecologist 81  
Ersan Altun and Kristen Olinger
- 5** Patient Positioning for Pelvic Surgery 98  
Kimberly Kenton and Margaret G. Mueller
- 6** Surgical Techniques, Instruments, and Suture 110  
John T. Soper
- 7** Principles of Electrical and Laser Energy Applied to Gynecologic Surgery 129  
Magdy P. Milad and Ted L. Anderson
- 8** Incisions for Gynecologic Surgery 147  
James J. Burke II
- 9** Principles of Laparoscopy 173  
Amanda Yunker
- 10** Principles of Robotic Surgery 189  
Arnold P. Advincula and Sierra J. Seaman

## SECTION III

### Postoperative Care

- 11** Postoperative Care of the Gynecologic Patient 201  
Rajiv B. Gala
- 12** Postoperative Infections in Gynecologic Surgery 220  
Anna Powell
- 13** Critical Care of the Gynecologic Patient 232  
Duncan J. McLean and William M. Hart

## SECTION IV

### Contemporary Gynecologic Surgical Procedures

- 14** Dilation and Curettage 249  
Ronald T. Burkman and Heather Z. Sankey
- 15** Hysteroscopy 259  
Mindy S. Christianson and Kristin E. Patzkowsky
- 16** Surgical Management of Abortion and Its Complications 284  
Amy G. Bryant and Chava Kahn
- 17** Surgery for Benign Vulvar Conditions 301  
Heather Z. Sankey and Ronald T. Burkman
- 18** Tubal Sterilization 317  
Amy G. Bryant and Jessica E. Morse
- 19** Surgery of the Ovary and Fallopian Tube 333  
Sarah L. Cohen Rassier and Antonio R. Gargiulo
- 20** Surgical Management of Ectopic Pregnancy 349  
Katharine O'Connell White and Paula M. Castaño
- 21** Myomectomy 370  
Linda D. Bradley and Tommaso Falcone

**22** Vaginal Hysterectomy 394

John A. Occhino and John B. Gebhart

**23** Abdominal Hysterectomy 416

Laurie S. Swaim and Audra E. Timmins

**24** Minimally Invasive Hysterectomy-  
Laparoscopic and Robotic-Assisted  
Hysterectomy 439

Ted L. Anderson and Ronald D. Alvarez

**SECTION V****Gynecologic Oncology****25** Surgery for Preinvasive Disease of  
the Cervix 459

Leslie H. Clark

**26** Surgery for Preinvasive and Invasive  
Disease of the Vulva and Vagina 469

Ryan J. Spencer and David M. Kushner

**27** Surgery for Uterine Cancer 488

Edward Tanner

**28** Surgery for Cervical Cancer 505

Nadeem R. Abu-Rustum and Vance A. Broach

**29** Surgery for Ovarian Cancer 529

Ritu Salani and Mae Zakhour

**SECTION VI****Surgery for Pelvic Floor Disorders****30** Transvaginal Apical Suspensions for  
Uterovaginal Prolapse 551

Robert E. Gutman

**31** Sacrocolpopexy 571

Anthony G. Visco

**32** Colporrhaphy and Enterocele Repair 584

Cara Grimes and Patrick Popiel

**33** Midurethral Slings and Surgery for Stress  
Urinary Incontinence 603

Renée M. Ward

**34** Colpocleisis 629

Melinda G. Abernethy

**35** Vesicovaginal and Rectovaginal Fistula 639

Chi Chiung Grace Chen and Jaime Bashore Long

**36** Repair of Episiotomy and Complex Perineal  
Lacerations 668

Dana R. Gossett and Christina Lewicky-Gaupp

**SECTION VII****Complications of Pelvic Surgery****37** Management of Intraoperative Complications  
to the Urinary Tract 679

E. James Wright

**38** Management of Operative Complications to the  
Gastrointestinal Tract 696

Mitchel Hoffman and Emmanuel E. Zervos

**39** Management of Surgical Hemorrhage 729

Emma Rossi

**SECTION VIII****Surgical Management of Selected  
Gynecologic Conditions****40** Surgical Management of Pelvic Pain  
and Endometriosis 747

Matthew T. Siedhoff and Erin T. Carey

**41** Surgical Management of Pelvic Inflammatory  
Disease 762

Matthew T. Siedhoff and Michelle Louie

**42** Surgical Management of Reproductive Tract  
Anomalies 772

Jennifer E. Dietrich

**43** Pediatric and Adolescent Gynecologic  
Surgery 789

Geri Hewitt

**44** Surgery for Obstetric Hemorrhage 804

Jason D. Wright and Fady Khoury-Collado

Index 819

# VIDEO CONTENTS LIST

## SECTION II

### Basic Principles of Gynecologic Surgery

#### CHAPTER 6 Surgical Techniques, Instruments, and Suture

VIDEO 6.1 Using the Bookwalter Retraction System

#### CHAPTER 7 Principles of Electrical and Laser Energy Applied to Gynecologic Surgery

VIDEO 7.1 Take Charge in the OR: Tips for Safe use of Monopolar Devices

#### CHAPTER 9 Principles of Laparoscopy

VIDEO 9.1 Optimizing Visualization in the Pelvis: When more Trendelenburg is not Enough

VIDEO 9.2 Peritoneal Entry Techniques

VIDEO 9.3 Avascular Planes of the Pelvis

#### CHAPTER 10 Principles of Robotic Surgery

VIDEO 10.1 Robotic Port Placement

VIDEO 10.2 Right-Sided Robotic Docking

VIDEO 10.3 Robotic Specimen Bagging and Removal

VIDEO 10.4 Tissue Morcellation with ExCITE

VIDEO 10.5 Robotic-Assisted Laparoscopic Myomectomy

VIDEO 10.6 Robotic-Assisted Laparoscopic Transabdominal Cerclage

VIDEO 10.7 Robotic-Assisted Laparoscopic Excision of Deep Infiltrating Endometriosis

VIDEO 10.8 Robotic-Assisted Laparoscopic Isthmocele Repair

VIDEO 10.9 Robotic-Assisted Total Laparoscopic Hysterectomy

## SECTION IV

### Contemporary Gynecologic Surgical Procedures

#### CHAPTER 18 Tubal Sterilization

VIDEO 18.1 Laparoscopic Bilateral Salpingectomy

#### CHAPTER 19 Surgery of the Ovary and Fallopian Tube

VIDEO 19.1 Robotic Tubal Reanastomosis: The Brigham Technique

#### CHAPTER 21 Myomectomy

VIDEO 21.1 Fertility Preserving Robotic-Assisted Laparoscopic Myomectomy

#### CHAPTER 22 Vaginal Hysterectomy

VIDEO 22.1 Initial Incision for Vaginal Hysterectomy

VIDEO 22.2 Incision and Anterior and Posterior Entry for Vaginal Hysterectomy

VIDEO 22.3 Incision with Posterior Entry for Vaginal Hysterectomy

VIDEO 22.4 Vaginal Hysterectomy

VIDEO 22.5 Difficult Anterior Entry for Vaginal Hysterectomy

VIDEO 22.6 Cervical Elongation in Vaginal Hysterectomy

VIDEO 22.7 Vaginal Hysterectomy with Morcellation for the Enlarged Uterus

- VIDEO 22.8 Bilateral Salpingectomy after Vaginal Hysterectomy
- VIDEO 22.9 Techniques for Vaginal Oophorectomy

**CHAPTER 24** Minimally Invasive Hysterectomy-Laparoscopic and Robotic-Assisted Hysterectomy

- VIDEO 24.1 Approach to Laparoscopic Hysterectomy of Large Fibroid Uteri
- VIDEO 24.2 Approaches to Isolating the Uterine Artery at its Origin from the Internal Iliac Artery
- VIDEO 24.3 Total Laparoscopic Hysterectomy with Retroperitoneal Identification of Ureters: a Standard Approach

**SECTION V**

**Gynecologic Oncology**

**CHAPTER 27** Surgery for Uterine Cancer

- VIDEO 27.1 Technique for Robotic-Assisted Endometrial Cancer Staging with Sentinel Lymph Node Mapping
- VIDEO 27.2 Robotic-Assisted Hysterectomy and Sentinel Lymph Node Mapping for Low-Grade Endometrial Cancer
- VIDEO 27.3 Technique for Sentinel Lymph Node Mapping for Endometrial Cancer

**CHAPTER 28** Surgery for Cervical Cancer

- VIDEO 28.1 Hysterectomy with Radical Dissection

**CHAPTER 29** Surgery for Ovarian Cancer

- VIDEO 29.1 Laparoscopic Para-Aortic and Pelvic Lymph Node Dissection

**SECTION VI**

**Surgery for Pelvic Floor Disorders**

**CHAPTER 31** Sacrocolpopexy

- VIDEO 31.1 Robotic Sacrocolpopexy

**CHAPTER 36** Repair of Episiotomy and Complex Perineal Lacerations

- VIDEO 36.1 Repair of Rectovaginal Fistula, External Anal Sphincteroplasty, and Perineorrhaphy

**SECTION VII**

**Complications of Pelvic Surgery**

**CHAPTER 38** Management of Operative Complications to the Gastrointestinal Tract

- VIDEO 38.1 Enterotomy Closure
- VIDEO 38.2 Laparoscopic Appendectomy
- VIDEO 38.3 Open Appendectomy
- VIDEO 38.4 Small Bowel Anastomosis

**CHAPTER 39** Management of Surgical Hemorrhage

- VIDEO 39.1 Robotic Repair of Left External Iliac Artery Injury

**SECTION VIII**

**Surgical Management of Selected Gynecologic Conditions**

**CHAPTER 40** Surgical Management of Pelvic Pain and Endometriosis

- VIDEO 40.1 Laparoscopic Excision of Endometriosis

**CHAPTER 42** Surgical Management of Reproductive Tract Anomalies

- VIDEO 42.1 Redefining Pelvic Landmarks in Patients with Müllerian Anomalies Undergoing Hysterectomy
