| <b>CHAPTER 1</b> | <b>International Conventions on Biodiversity of Relevance to the European Union</b>             | 1  |
| I.               | Introduction  | 2  |
| II.              | The Convention on Biological Diversity  | 3  |
| 1.               | Introduction: general context and objectives  | 3  |
| 2.               | Biodiversity and its conservation   | 5  |
| 3.               | Sustainable use   | 7  |
| 4.               | General measures, <i>in situ</i> and <i>ex situ</i> conservation                                | 9  |
| 5.               | Environmental Impact Assessment   | 11 |
| 6.               | The Case of biotechnology: the Cartagena Protocol on Biosafety and subsequent protocols         | 13 |
| 7.               | Access to genetic resources and fair and equitable sharing of the benefits of their utilisation | 17 |
| 8.               | Access to technologies and traditional knowledge  | 18 |
| 9.               | Financial issues  | 20 |
| 10.              | The road to 2030: the Kunming-Montreal Global Biodiversity Framework                            | 21 |
| III.             | The Convention on the Conservation of European Wildlife and Natural Habitats                    | 22 |
| 1.               | Introduction  | 22 |
| 2.               | Scope <i>ratione loci</i>   | 23 |
| 3.               | General measures and conservation policies  | 25 |
| 4.               | Habitats and species  | 26 |
| 5.               | Protection measures and exceptions  | 27 |
| 6.               | Protected areas: the Emerald Network and its relationship with EU Natura 2000                   | 28 |
| 7.               | Protected areas: The European Diploma   | 30 |
| IV.              | The Convention on the Conservation of Migratory Species of Wild Animals                         | 31 |
| 1.               | Introduction: the notion of migratory species and the objectives of the Convention              | 31 |
| 2.               | Endangered Migratory Species (Appendix I CMS)   | 34 |
| 3.               | Annex II CMS and AGREEMENTS   | 35 |
| 4.               | Other species: adoption of “agreements”   | 37 |
| 5.               | Legal nature of the AGREEMENTS, “agreements” and other instruments adopted within the CMS       | 37 |
| 6.               | Concluding remarks on the CMS   | 38 |
| V.               | The Convention on Wetlands of International Importance Especially as Waterfowl Habitat          | 40 |
| 1.               | Introduction  | 40 |

|   |  |    |
|---|--|----|
| 2.  | Notion of wetland  | 42 |
| 3.  | Designation of wetlands of international importance                                    | 42 |
| 4.  | Withdrawal of wetlands from the List   | 44 |
| 5.  | Planning for the conservation of listed wetlands:<br>conservation and wise use         | 45 |
| 6.  | Surveillance   | 47 |
| 7.  | Concluding remarks   | 48 |
| VI.   | The Convention on International Trade in Endangered<br>Species of Wild Fauna and Flora | 49 |
| 1.  | Introduction   | 49 |
| 2.  | CITES species regime   | 51 |
| 2.1.  | Appendix I species: trade activity, and export and import<br>requirements              | 51 |
| 2.2.  | Appendix II species  | 53 |
| 2.3.  | Amendments to Appendices I and II  | 54 |
| 2.4.  | Appendix III species   | 54 |
| 3.  | Exemptions, reservations, and quotas   | 55 |
| 3.1.  | Exemptions   | 55 |
| 3.2.  | Reservations   | 57 |
| 3.3.  | Quotas   | 57 |
| 4.  | CITES standardisation aspects  | 58 |
| 5.  | CITES implementation issues  | 59 |
| <b>CHAPTER 2</b>  |  |    |
| <b>European Union environmental bases and their<br/>application in the case of biodiversity</b> |  | 61 |
| I.  | Introduction: genesis of EU environmental policy                                       | 62 |
| II.   | Context and purpose of EU action in environmental matters                              | 64 |
| 1.  | The environment  | 64 |
| 2.  | Environmental policy. The 2020 “Green Deal”  | 65 |
| III.  | Objectives   | 66 |
| IV.   | Principles   | 67 |
| 1.  | Sustainability   | 68 |
| 2.  | High level of protection   | 71 |
| 3.  | Principle of integration   | 72 |
| 4.  | Precautionary principle  | 75 |
| 5.  | Preventive action  | 80 |
| 6.  | Correction at source   | 81 |
| 7.  | The Polluter Pays principle  | 82 |
| V.  | Distribution of powers between the EU and Member<br>States in environmental matters    | 85 |
| 1.  | Types of competences   | 85 |
| 2.  | Principle of subsidiarity  | 86 |
| 3.  | International competence   | 87 |
| 4.  | Impact of WBD and HD on EU biodiversity competence                                     | 90 |

|                  |   |     |
|------------------|---|-----|
| 5.               | Criminal jurisdiction for the protection of the environment and biodiversity  | 91  |
| VI.              | Legal bases for the adoption of measures for environment protection   | 92  |
| 1.               | Importance of the legal bases   | 92  |
| 2.               | Environmental legal bases (Article 192 TFEU)  | 95  |
| 2.1.             | Actions   | 95  |
| 2.2.             | Areas subject to unanimous vote of the Member States  | 95  |
| 2.3.             | Environmental action programmes and strategies  | 98  |
| 2.4.             | Other legal bases to be considered  | 99  |
| 2.4.1.           | Internal Market   | 99  |
| 2.4.2.           | Agriculture   | 99  |
| 2.4.3.           | Fisheries   | 101 |
| 2.4.4.           | Common Commercial Policy  | 101 |
| 2.4.5.           | Energy  | 102 |
| 2.5.             | The adoption of stricter measures   | 104 |
| <b>CHAPTER 3</b> |   |     |
|                  | <b>Rights of Nature and the EU: new paradigm, or a way to improve existing obligations?</b>   | 107 |
| I.               | Introduction  | 108 |
| II.              | Failures of biodiversity laws: The EU case  | 110 |
| 1.               | The EU Treaty's general perspective of economic development and the environment   | 110 |
| 2.               | Shortcomings in the current legal framework   | 112 |
| 3.               | Some obstacles to the recognition of a presumption in favour of Nature  | 115 |
| 4.               | The principle of non-regression   | 116 |
| III.             | RoN and the EU: legal revolution, new paradigm, or new grounds to amend or improve existing instruments? The case of the "Mar Menor" lagoon | 118 |
| 1.               | The many faces of Nature  | 119 |
| 2.               | Nature's rights go beyond conservation policy principles and objectives.  | 120 |
| 3.               | Rights <i>versus</i> obligations on the part of the public authorities: the case of the mar Menor lagoon                                    | 120 |
| 4.               | Personhood and standing to sue  | 124 |
| 5.               | Property rights   | 126 |
| IV.              | Concluding remarks  | 126 |
| <b>CHAPTER 4</b> |   |     |
|                  | <b>The Wild Birds Directive</b>   | 129 |
| I.               | Genesis and general context of the Wild Birds Directive   | 130 |
| 1.               | Genesis of the WBD  | 130 |
| 2.               | Context: other international rules to be considered in the case of the WBD  | 134 |

|  |   |     |
|--|---|-----|
| II.  | Structure of the WBD  | 135 |
| III.   | Scope of application of the WBD   | 136 |
| 1.   | Territorial scope   | 136 |
| 2.   | Material scope: the concept of “species”  | 137 |
| 2.1.   | All wild birds  | 137 |
| 2.2.   | The concept of “species”  | 137 |
| 3.   | Birds in the wild and in captivity  | 140 |
| 4.   | Wild birds as “common heritage”   | 141 |
| 4.1.   | General remarks   | 141 |
| 4.2.   | The notion of “common heritage” in the case law of the CJEU   | 145 |
| 5.   | Common responsibility   | 147 |
| 6.   | The stand still clause in Article 13 WBD  | 147 |
| <b>CHAPTER 5</b>   |   |     |
| <b>The obligation to classify special protection areas for birds: substantive and formal matters</b> |   | 149 |
| I.   | General framework of the obligations in the WBD   | 150 |
| II.  | Legal scope and relationship between articles 3 and 4 WBD   | 151 |
| 1.   | General and priority measures for the protection of birds under Article 3 WBD                       | 151 |
| 2.   | Relationship between the general obligations in Articles 3 and the designation of SPAs in Article 4 | 152 |
| III.   | SPA classification  | 155 |
| 1.   | General matters   | 155 |
| 2.   | Member States’ margin of discretion in designating SPAs   | 157 |
| 3.   | Legal status of the Inventories of Important Bird Areas (IBAs) in the EU                            | 160 |
| 4.   | CJEU’s case law regarding the role of IBAs  | 161 |
| 5.   | Role of state inventories   | 164 |
| IV.  | Number of species for the purpose of SPA classification   | 165 |
| V.   | Territories to be classified as SPAs  | 167 |
| 1.   | The reference to “the most suitable territories” in Article 4(1) and 2 WBD                          | 167 |
| 2.   | Ecosystems and wetlands   | 169 |
| 2.1.   | Degraded areas and obligation to classify SPAs  | 172 |
| 2.2.   | Size of the most suitable territories   | 172 |
| 2.3.   | Ornithological criterion versus biogeographical regions   | 175 |
| 2.4.   | Territories eligible for designation as SPAs in a Member State compared with other Member States    | 176 |
| 3.   | The unavailability of taking socio-economic aspects into account when classifying SPAs              | 177 |
| VI.  | Obligation to classify SPAS: formal issues  | 179 |
| 1.   | Designation of SPAs and obligation to adopt specific rules  | 179 |
| 2.   | Timing of Member States’ obligations in respect of SPAs   | 180 |

|                  |   |     |
|------------------|---|-----|
| <b>2.1.</b>      | Time frame for SPAs designation obligations   | 180 |
| <b>2.2.</b>      | No time limit for SPAs designation  | 181 |
| <b>2.3.</b>      | Designations subject to appeal and the time at which an SPA is deemed to qualify as such  | 182 |
| <b>3.</b>        | Duty to publish SPA delimitation maps and to submit accurate cartography to the European Commission   | 183 |
| <b>VII.</b>      | Declassification of SPAs  | 184 |
| <b>1.</b>        | General matters   | 184 |
| <b>2.</b>        | International Law   | 184 |
| <b>2.1.</b>      | Ramsar Convention on Wetlands of International Importance   | 184 |
| <b>2.2.</b>      | The Convention on the Conservation of European Wildlife and Natural Habitats  | 187 |
| <b>2.3.</b>      | Statutory Framework of the World Network of Biosphere Reserves  | 188 |
| <b>2.4.</b>      | Barcelona Protocol concerning Specially Protected Areas and Biological Diversity in the Mediterranean   | 189 |
| <b>3.</b>        | Declassification of SPAs under the WBD  | 190 |
| <b>3.1.</b>      | Cases C-57/89 R and C-57/89, <i>Commission v. Germany (Leybucht)</i> : CJEU's dismissal of an application for interim relief for the cessation of works on a site | 190 |
| <b>3.2.</b>      | Case C-57/89: CJEU's doctrine on the possible declassification of an SPA  | 191 |
| <b>3.3.</b>      | The application of the environmental assessment mechanism in Article 6 (3 and 4) HD for a possible declassification of an SPA                                     | 194 |
| <b>CHAPTER 6</b> | <b>Measures for the protection of special protection areas</b>  | 197 |
| <b>I.</b>        | General matters   | 198 |
| <b>1.</b>        | Measures required by Article 3 WBD  | 198 |
| <b>2.</b>        | Measures required by Article 4 WBD  | 198 |
| <b>II.</b>       | CJEU case law on measures for the protection of SPAS  | 200 |
| <b>1.</b>        | The inadequacy of Member States' designation of categories of protected areas as a means of protecting wild birds   | 201 |
| <b>2.</b>        | The inadequacy of applying general protection rules   | 202 |
| <b>3.</b>        | The obligation to adopt specific measures for birds   | 203 |
| <b>4.</b>        | The duty to avoid deterioration: Scope of Article 4(4) WBD  | 204 |
| <b>4.1.</b>      | Structure of Article 4(4) WBD   | 204 |
| <b>4.2.</b>      | An approach to the concept of deterioration   | 205 |
| <b>5.</b>        | Relevant case law regarding the duty to avoid deterioration   | 207 |
| <b>5.1.</b>      | Case C-355/90 ( <i>Santoña marshes</i> )  | 208 |
| <b>5.2.</b>      | Case C-166/97 ( <i>Seine Estuary</i> )  | 211 |
| <b>5.3.</b>      | Case C-96/98 ( <i>Marais Poitevin</i> )   | 211 |
