Preface to the Second English Edition	XIII
A Note on the Use of Latin Terminology	XIV
Editor Acknowledgments	XV
Consulting Editor Acknowledgments	XVI
Acknowledgments from the First English Edition	XVII

Head

1 Embryology of the Head & Neck

Germ Layers & the Developing Embryo	2
Development of the Encephalon & Medulla Spinalis	4
Development & Derivatives of the Arcus Pharyngei	6
Development & Derivatives of the Sacci Pharyngei, Membranae Pharyngeae, & Sulci Pharyngei	8
Development of the Lingua & Glandula Thyroidea	10
Development of the Face	12
Development of the Palatum	14

2 Ossa Cranii

Development of the Ossa Cranii	16
Skull: Lateral View	18
Skull: Anterior View	20
Skull: Posterior View	22
Calvaria	24
Skull Base: Exterior	26
Skull Base: Interior	28
Os Sphenoidale	30
Os Temporale	32
Os Occipitale & Os Ethmoidale	34
Os Zygomaticum & Os Nasale	36
Maxilla & Palatum Durum	38
Mandibula & Os Hyoideum	40
Mandibula: Age-related Changes & Mandibular Fractures	42
Neurovascular Pathways through the Skull Base	44
Muscles of the Head: Origins & Insertions	46

3 Vasculature & Lymphatics of the Head & Neck

Arteries of the Head & Neck: Overview & Arteria Subclavia	48
Arteriae Carotides Externa & Interna: Overview	50
Arteria Carotis Externa: Anterior & Medial Branches	52
Arteria Carotis Externa: Posterior Branches	54
Arteria Carotis Externa: Terminal Branches (I)	56
Arteria Carotis Externa: Terminal Branches (II) & Anastomoses	58
Arteria Carotis Interna	60
Veins of the Head & Neck: Overview	62
Superficial Veins of the Head	64
Deep Veins of the Head	66
Lymphatics of the Head & Neck (I)	68
Lymphatics of the Head & Neck (II)	70

4 Neuroanatomy & Innervation of the Head & Neck

Organization of the Nervous System	72
Medulla Spinalis: Overview	74
Medulla Spinalis: Circuitry & Nervi Spinales	76
Organization of the Encephalon & Cerebellum	78
Telencephalon (I): Overview, Nuclei Basales, & Neocortex	80
Telencephalon (II): Allocortex & Limbic System	82
Diencephalon: Overview & Development	84
Diencephalon: Thalamus & Hypothalamus	86
Truncus Encephali: Organization & External Structure	88
Mesencephalon & Pons: Transverse Sections	90
Medulla Oblongata: Transverse Sections	92
Liquor Cerebrospinalis (CSF) Spatia & Ventriculi	94
Arteries of the Encephalon	96
Veins of the Encephalon: Venae Superficiales & Profundae	98
Blood Vessels of the Encephalon: Cerebrovascular Disease	100
Meninges	102
Sensory Pathways (Excluding the Head)	104
Sensory Pathways: Pain Pathways in the Head & the Central Analgesic System	106
Motor Pathways	108
Autonomic Nervous System (I): Overview	110
Autonomic Nervous System (II): Connections	112
Nervi Craniales: Overview	114
Nuclei Nervorum Cranialium	116
CN I & II: Nervi Olfactorius & Opticus	118
CN III, IV, & VI: Nervi Oculomotorius, Trochlearis, & Abducens	120
CN V: Nervus Trigemini, Nuclei, & Divisions	122
CN V ₁ : Nervus Trigemini, Nervus Ophthalmicus Division	124
CN V ₂ : Nervus Trigemini, Nervus Maxillaris Division	126
CN V ₃ : Nervus Trigemini, Nervus Mandibularis Division	128
CN VII: Nervus Facialis, Nuclei & Internal Branches	130
CN VII: Nervus Facialis, External Branches & Ganglia	132
CN VIII: Nervus Vestibulocochlearis	134
CN IX: Nervus Glossopharyngeus	136
CN X: Nervus Vagus	138
CN XI & XII: Nervi Accessorius & Hypoglossus	140

Regions of the Head

5 Face & Scalp

Musculi Faciei	144
Musculi Faciei: Calvaria, Ear, & Eye	146
Musculi Faciei: Mouth	148
Neurovascular Topography of the Anterior Face & Scalp: Superficial Layer	150
Neurovascular Topography of the Lateral Head: Superficial Layer	152
Neurovascular Topography of the Lateral Head: Intermediate & Deep Layers	154

6 Fossae Temporalis, Infratemporalis, & Pterygopalatina

Fossae Temporalis & Infratemporalis: Contents	156
Fossa Infratemporalis: Contents	158
Musculi Masticatorii: Overview	160
Musculi Masticatorii: Deep Muscles	162
Articulatio Temporomandibularis (TMJ)	164

10 Ear

Overview & Auris Externa (I)	262
Auris Externa (II): Auricula	264
Auris Media (I): Cavitas Tympani & Tuba Auditiva	266
Auris Media (II): Ossicula Auditoria & Cavitas Tympani	268
Auris Interna (I): Overview & Innervation (CN VIII)	270
Arteries & Veins of the Auris Media & Interna	272
Auris Interna (II): Auditory Apparatus	274
Auditory Pathway	276
Auris Interna (III): Vestibular Apparatus	278
Vestibular Pathway	280

Neck

11 Bones, Ligaments, & Muscles of the Neck

Columna Vertebralis & Vertebrae	284
Cervical Spine	286
Joints of the Cervical Spine	288
Ligaments of the Columna Vertebralis	290
Ligaments of the Cervical Spine	292
Ligaments of the Craniovertebral Joints	294
Muscles of the Neck: Overview	296
Muscles of the Neck & Back (I)	298
Muscles of the Neck & Back (II)	300
Muscles of the Posterior Neck	302
Musculi Dorsi Proprii (I): Musculi Erector Spinae & Interspinales	304
Musculi Dorsi Proprii (II)	306
Musculi Dorsi Proprii (III): Short Nuchal & Craniovertebral Joint Muscles	308
Prevertebral & Scalene Muscles	310
Musculi Suprahyoidei & Infrahyoidei	312

12 Neurovascular Topography of the Neck

Arteries & Veins of the Neck	314
Plexus Cervicalis	316
Cervical Regions (Trigona)	318
Cervical Fasciae	320
Anterior Neck	322
Root of the Neck	324
Lateral Neck	326
Deep Lateral Neck	328
Posterior Neck	330
Spatium Peripharyngeum (I)	332
Spatium Peripharyngeum (II)	334

13 Larynx & Glandula Thyroidea

Larynx	336
Musculi Laryngis	338
Larynx: Neurovasculature	340
Larynx: Topography	342
Endotracheal Intubation	344
Glandulae Thyroidea & Parathyroideae	346

Preface to the Second English Edition

Sectional Anatomy

14 Sectional Anatomy of the Head & Neck

- Coronal Sections of the Head (I): Anterior 348
- Coronal Sections of the Head (II): Posterior 350
- Coronal MRIs of the Head 352
- Coronal MRIs of the Neck (I): Anterior 354
- Coronal MRIs of the Neck (II) 356
- Coronal MRIs of the Neck (III): Posterior 358
- Transverse Sections of the Head (I): Cranial 360
- Transverse Sections of the Head (II) 362
- Transverse Sections of the Head (III): Caudal 364
- Transverse Sections of the Neck (I): Cranial 366
- Transverse Sections of the Neck (II): Caudal 368
- Transverse MRIs of the Head 370
- Transverse MRIs of the Cavitas Oris 372
- Transverse MRIs of the Neck 374
- Sagittal Sections of the Head (I): Medial 376
- Sagittal Sections of the Head (II): Lateral 378
- Sagittal MRIs of the Head 380
- Sagittal MRIs of the Neck 382

Rest of Body Anatomy

15 Rest of Body Anatomy

Upper Limb

- Clavicula & Scapula 384
- Humerus & Articulatio Glenohumeralis 386
- Bones of Forearm, Wrist, & Hand 388
- Muscles of the Shoulder (I) 390
- Muscles of the Shoulder (II) & Arm 392
- Muscles of the Forearm 394
- Muscles of the Wrist & Hand 396
- Arteries & Veins of the Upper Limb 398
- Plexus Brachialis 400

Thorax

- Skeleton Thoracis 402
- Muscles & Neurovascular Topography of the Thoracic Wall 404
- Female Breast 406
- Diaphragma 408
- Neurovasculature of the Diaphragma 410
- Divisions of the Cavitas Thoracis & Lymphatics 412
- Thoracic Vasculature 414
- Nerves of the Cavitas Thoracis 416
- Mediastinum: Overview 418
- Mediastinum: Structures 420
- Heart: Surfaces & Chambers 422
- Heart: Valves, Arteries, & Veins 424
- Heart: Conduction & Innervation 426
- Pre- & Postnatal Circulation 428
- Oesophagus 430

Pleura	432
Lungs in situ	434
Pulmonary Arteries & Veins	436
Abdomen	
Surface Anatomy & Muscles of the Abdominal Wall	438
Arteries of the Abdominal Wall & Abdomen	440
Divisions of the Cavitas Abdominis & Pelvis	442
Cavitas Peritonealis & Mesenteria (I)	444
Gaster & Bursa Omentalis	446
Mesenteria (II) & Intestinum	448
Hepar, Vesica Biliaris, & Biliary Tract	450
Aorta Abdominalis & Truncus Coeliacus	452
Arteriae Mesentericae Superior & Inferior	454
Veins of the Abdomen	456
Vena Cava Inferior & Venae Mesentericae Inferiores	458
Autonomic Plexuses & Sectional Anatomy of the Abdomen	460
Pelvis	
Cingulum Pelvicum & Ligaments of the Pelvis	462
Contents of the Pelvis	464
Arteries & Veins of the Pelvis	466

Appendices

Appendix A	
Anatomy of Local Anesthesia for Dentistry	470
Appendix B	
Factual Questions & Answer Explanations	488
Appendix C	
Clinical Questions & Answer Explanations	508

Index	523
--------------------	-----
