About the Author	xv
Acknowledgements	xvii
Abbreviations	xix
Introduction: 'A luxury that we can't afford' - Are Academic Libraries Dispensable?	xxi
What this book is about	xxii
The positioning challenge confronting academic libraries	xxiii
How the book will support academic library positioning	xxv
Who the book is for	xxv
The author's journey	xxvi
Navigating the book	xxvii
Back to the future	xxviii
Part 1 Positioning Context	1
Introduction to Part 1	3
1 The Historical Evolution of Academic Library Position and Positioning	5
Overview	5
The value of historical perspective	5
A short historical overview of academic libraries	6
How the position of academic libraries has evolved	10
The evolution of academic library positioning	17
Conclusion	23
2 Positioning Strategy	25
Overview	25
Positioning and its importance	25
Key components of positioning strategy	28
The positioning environment for academic libraries	32
The academic library positioning tightrope	37
Conclusion	41

3	The Global Context: Politics, Economics, Society and Technology	43
	Overview	43
	The world we live in	43
	The political environment	45
	The economic environment	48
	The social environment	51
	The technological environment	55
	Conclusion	59
4	The Changing Higher Education Environment	61
	Overview	61
	Challenges and variations, but common purpose	61
	The higher education landscape	62
	The campus environment	70
	Global trends and higher education: current and future implications	75
	Conclusion	78
Part 2	SWOT Analysis	81
	Introduction to Part 2	83
5	Strengths of Academic Libraries	85
	Overview	85
	Introduction	85
	Centrality	85
	Values	88
	Collaboration	91
	Reinvention	95
	Conclusion	98
6	Weaknesses of Academic Libraries	99
	Overview	99
	Introduction	99
	Conservatism	99
	Stakeholder misperceptions	103
	Economic struggles	106
	Diversity deficits	109
	Conclusion	112
7	Opportunities for Academic Libraries	115
	Overview	115
	Introduction	115
	Open scholarship	115
	Artificial intelligence	119
	Learning space	122
	The wider world	125
	Conclusion	129

8	Threats to Academic Libraries	131
	Overview	131
	Introduction	131
	Decline in position	132
	Identity blurring	134
	Competition	138
	Uncertainty	141
	Conclusion	144
Part 3	Position and Positioning Strategies	147
	Introduction to Part 3	149
9	The Position of Academic Libraries Today: Making Sense of Complexity	151
	Overview	151
	Introduction	151
	Influences in the external environment	152
	Outline of the position of academic libraries	153
	Own goals in academic library position	159
	SWOT analysis revisited	161
	Influences on future position: three intensifying trends	164
	Conclusion	168
10	Positioning Strategies for Successful Academic Libraries	171
	Overview	171
	Introduction	171
	Positioning: some key messages	172
	Ten positioning strategies	174
	Aligning resources with positioning	185
	The well-positioned academic library	187
	Conclusion	188
11	Academic Library Positioning Toolkit	191
	Overview	191
	Introduction	191
	Outlines of the operating environment	191
	Positioning strategy readings	193
	Techniques to support positioning	194
	Positioning strategy conversations: some questions to ask	197
12	Conclusion	201
	In the grip of events	201
	Key messages and learnings	202
	Ten takeaways	207
	What next?	208
	References	209
	Index	245
