<i>Preface</i>	ix
<i>About the Companion Website</i>	xiii
1. The Role of Research in Music Education	1
2. The Typical Components of Music Education Research	19
3. Conducting a Review of Related Literature	39
4. Historical Research	59
5. Philosophical Researchers' Aims and Processes	83
6. Conducting Philosophical Research: Additional Considerations	97
7. Characteristics of Qualitative Inquiry	115
8. Common Elements of Qualitative Research Reports	129
9. Qualitative Case Study Research	157
10. Additional Qualitative Approaches: Ethnography, Grounded Theory, Narrative, and Phenomenology	183
11. Considerations of Quality in Qualitative Research	217
12. Quantitative Descriptive and Correlational Research	241
13. Experimental Research	263
14. Designing Experimental Research	283
15. Measurement	309
16. Descriptive Statistics	325
17. Correlational Statistics	347
18. Determining Differences with Inferential Statistics	371
19. Action Research	403
20. Scholarly Writing: Practice, Patience, and Passion	417
21. Disseminating Research	431

Appendix A: Selected Online Resources for Primary Source Material on the History of Music Education 451
Appendix B: Data Entry 455
Appendix C: Research Journals Related to Music Education 459

Index 461

1. The Role of Research in Music Education 1
2. The Typical Components of Music Education Research 19
3. Conducting a Review of Related Literature 39
4. Historical Research 59
5. Philosophical Research: Aims and Processes 83
6. Conducting Philosophical Research: Additional Considerations 97
7. Characteristics of Qualitative Inquiry 113
8. Common Elements of Qualitative Research Reports 139
9. Qualitative Case Study Research 157
10. Additional Qualitative Approaches: Ethnography Grounded Theory Narrative and Phenomenology 183
11. Considerations of Quality in Qualitative Research 217
12. Quantitative Descriptive and Correlational Research 241
13. Experimental Research 263
14. Designing Experimental Research 283
15. Measurement 309
16. Descriptive Statistics 325
17. Correlational Statistics 347
18. Determining Differences with Inferential Statistics 371
19. Action Research 403
20. Scholarly Writing: Practice, Patience, and Passion 417
21. Dissertation Research 431
