<i>List of contributors</i>	viii
Introduction to the peripheral regions <i>Jerzy Bański</i>	xv
PART I CONCEPTS AND RESEARCH APPROACHES	
1 Marginality: centres, peripheries, margins and left behind places <i>Borna Fuerst-Bjeliš, Walter Leimgruber, Etienne Nel and Stanko Pelc</i>	2
2 Periphery in the concepts of regional development and territorial classifications <i>Jerzy Bański</i>	15
3 Peripheries in contemporary social science concepts: an attempt at synthesis <i>Marcin Wójcik and Karolina Dmochowska</i>	29
4 Towards a relational understanding of peripheralisation: an examination of English rural small towns <i>Martin Phillips</i>	44
5 Peripheral regional innovation systems: conceptual contributions from Latin America and applications in Argentina <i>Gabriela Starobinsky, Andrés Niembro, Manuel Gonzalo and Carla Daniela Calá</i>	63
6 Definitions of northern/rural/remote/peripheric communities in Canada <i>François Brouard, Natalya Brown, Manuel Litalien and Étienne Sinotte</i>	80
PART II DIAGNOSIS: PROCESSES AND TRENDS ON THE PERIPHERY	
7 Converging or lagging behind European peripheries? Spatial inequalities in post-millennial Hungary through the lens of local-level GDP estimations <i>Réka Horeczki, Ernő Molnár, Gábor Pirisi and János Péntzes</i>	95
8 Studying nomads, peripherality and agriculture in Southern Palestine, 1800–1947 <i>Aviv Oppenheim, Noam Levin and Ruth Kark</i>	109
9 Australian peripheries: concepts, diagnosis, and dilemmas <i>Anthony Sorensen</i>	123

- 10 Rural demographic transitions and policy interventions: examining depopulation mitigation strategies in Castilla-La Mancha, Spain 138
Inmaculada Carrasco Monteagudo, Juan Sebastián Castillo Valero, María Carmen García Cortijo and Germán Andrés Cevallos Meneses
- 11 Urban peripheral territories in Africa: Maputo City, a case study 152
Manuel Madeira Macandza
- 12 Peripherality and populism: electoral consequences of spatial inequality with particular reference to rural peripheral areas of Poland 166
Jerzy Bański, Mariusz Kowalski and Michał Konopski
- 13 The perceived decline of true rural life through the lens of ideal rural childhood 183
Ondřej Klíma, Pavel Pospěch and Barbora Hubatková
- 14 The potential of the peripheral region in the Global South: regional resilience in South Africa 197
Mariske van Aswegen and J. Ernst Drewes

PART III DILEMMAS OF DEVELOPMENT POLICY AND PLANNING IN PERIPHERAL TERRITORIES

- 15 Pawned spaces: militarization, indebtedness and crime in the São Paulo metropolitan fringes 213
César Simoni Santos
- 16 From urban policy concept to practice in the periphery: smart shrinkage in peripheral Finland 228
Teemu Makkonen and Petri Kahila
- 17 Rescaling dilemmas of governance in Hungarian rural peripheries 243
Ilona Pálné Kovács
- 18 Italy and the peripheral: national policies in search of cohesion 255
Giancarlo Cotella and Elisabetta Vitale Brovarone
- 19 North-South ecologically unequal exchange in waste production and management: an action research project at the Radisson waste disposal site (Eeyou Istchee James Bay, Quebec, Canada) 271
Maude Normandin Bellefeuille, Clara Vivin and Laurie Guimond
- 20 Decoding Danish dilemmas: barriers to including locals in planning for the double periphery 285
Kasper Friis Bavnæk

21	Regional migration policy as a tool to support the development of peripheral regions: policy conceptualisation <i>Wojciech Janicki</i>	300
22	Towards policy- and location-based allocation of rural development funding: a rural development program for mainland Finland <i>Antti Petteri Hiltunen, Olli Lehtonen and Hilikka Vihinen</i>	313
