<b>PREFACE</b>	<b>XIII</b>
<b>ACKNOWLEDGMENTS</b>	<b>XVII</b>
<b>DISCLAIMER</b>	<b>XIX</b>
<b>INTRODUCTION</b>	<b>XXI</b>
<b>1 What Is Mental Illness?</b>	<b>1</b>
<i>What does mental illness feel like?</i>	2
<i>What does mental illness look like?</i>	3
<i>What thought processes, emotions, and behaviors are affected by mental illness?</i>	4
<i>What aspects of everyday life are affected by mental illness?</i>	5
<i>How have thoughts about mental illnesses changed over time?</i>	6
<i>Who can develop a mental illness?</i>	8
<i>Which public figures have helped raise awareness and put a face to mental illness?</i>	9
<b>2 How Are Mental Illnesses Diagnosed?</b>	<b>12</b>
<i>Can mental illnesses be diagnosed by a laboratory test?</i>	12
<i>What tests can be used to rule out medical disorders?</i>	14
<i>Who can diagnose a mental illness?</i>	15

<i>How soon should a diagnosis be sought once symptoms appear?</i>	16
<i>If I have symptoms of a mental illness, does it mean I am mentally ill?</i>	17
<i>What are the most common guides for diagnosing a mental illness?</i>	18
<i>How have the diagnostic systems themselves changed over time?</i>	19
<i>How reliable is a diagnosis of a mental illness?</i>	20
<i>Are mental illnesses ever misdiagnosed?</i>	22
<i>Can someone's diagnosis change over time?</i>	23
<b>3 What Are the Most Common Symptoms of a Mental Illness?</b>	<b>26</b>
<i>What are the warning signs of a mental illness?</i>	26
<i>What is ADHD, and why are there different subtypes of the disorder?</i>	28
<i>What is autism, and what are autism spectrum disorders?</i>	30
<i>What are anxiety, fear, panic, and phobia, and how do they all differ?</i>	31
<i>What is the difference between eating disorders like anorexia and bulimia?</i>	32
<i>What is the difference between obsessions, compulsions, and tics?</i>	32
<i>Is drug addiction a form of mental illness?</i>	34
<i>What are the most common types of personality disorders?</i>	34
<i>What is psychosis?</i>	36
<i>What are the signs and symptoms of PTSD?</i>	37
<i>What is depression?</i>	37
<i>What is mania?</i>	39
<i>Can one's mood be affected by time cycles, such as the menstrual cycle or the seasons?</i>	39
<i>If a person attempts suicide, does that mean they have a mental illness?</i>	40
<i>Is a person with a mental illness more likely to attempt or die by suicide?</i>	41
<i>Is a person with a mental illness more likely to be aggressive or violent toward others?</i>	42
<i>Are there degrees of mental illness?</i>	42

<i>What is comorbidity, and how common is it?</i>	43
<i>Do all people with the same diagnosis have the same symptoms?</i>	44
<b>4 What Is <i>Not</i> Mental Illness?</b>	<b>45</b>
<i>What other medical conditions can appear like a mental illness?</i>	45
<i>Is sociopathy a mental illness?</i>	46
<i>Is criminal behavior a sign of a mental illness?</i>	47
<i>Are sexual orientations or gender roles a basis for defining a mental illness?</i>	48
<i>Is loneliness a mental illness?</i>	49
<i>Is stress a mental illness?</i>	49
<i>Is sleeping too much or too little a mental illness?</i>	50
<i>Are tattoos a sign of a mental illness?</i>	50
<i>Are developmental delays in children a sign of a mental illness?</i>	51
<i>Are problem behaviors in children a sign of a mental illness?</i>	51
<i>Are changes in mental capacity or behavior in the elderly symptoms of a mental illness?</i>	52
<i>Who decides what is and what is not a mental illness?</i>	53
<b>5 How Should We Talk About Mental Illnesses?</b>	<b>54</b>
<i>How do people view mental illnesses?</i>	55
<i>Is it okay to talk about my mental illness?</i>	56
<i>Why don't more people disclose their mental illness?</i>	57
<i>What are some of the most common terms to know when talking about mental illnesses?</i>	59
<i>Are there some terms that we should avoid when talking about mental illnesses?</i>	61
<i>What things should we never say to someone with a mental illness?</i>	62
<i>Can one mental illness, or one type of symptom, be referred to by more than one name?</i>	63
<i>What are the most misunderstood terms used to describe mental illnesses?</i>	64

<i>Does talking openly about suicide increase or decrease the risk for suicide?</i>	64
<i>Is it okay to ask another person if they are experiencing symptoms of a mental illness?</i>	65
<i>Why should we avoid speculating on the mental state of others?</i>	66
<i>What is stigma, and what types of stigma are there?</i>	66
<i>How does self-stigma harm or limit individuals with mental illness?</i>	67
<i>How else does stigma adversely affect those with mental illnesses and society?</i>	68
<b>6 How Common Are Mental Illnesses?</b>	<b>69</b>
<i>What are my chances of developing a mental illness?</i>	69
<i>How many people are living with a mental illness?</i>	70
<i>How common is each type of mental illness?</i>	71
<i>Do the rates of mental illnesses differ by age?</i>	72
<i>Do the rates of mental illnesses differ by sex or gender?</i>	72
<i>Do the rates of mental illnesses differ by geography and culture?</i>	73
<i>Why are the rates of some mental illnesses increasing?</i>	74
<i>Are mental illnesses underdiagnosed or overdiagnosed?</i>	75
<b>7 Are Mental Illnesses Inherited?</b>	<b>78</b>
<i>What is heritability?</i>	78
<i>What factors contribute to the heritability of a mental illness?</i>	79
<i>What are the most and least heritable mental disorders?</i>	81
<i>What is the heritability of common mental disorders?</i>	82
<i>What are genes, and which ones increase the risk for a mental illness?</i>	83
<i>How do genes that increase risk for a mental illness persist in the population?</i>	84
<i>Can individuals with mental disorders be tested for specific genes that may relate to their form of mental illness or its treatment?</i>	85

## **8 How Does the Environment Influence Mental Illnesses? 86**

<i>What factors are considered “environmental” factors?</i>	86
<i>Can aspects of pregnancy have an impact?</i>	87
<i>What are the known environmental risk factors for mental disorders?</i>	89
<i>What are the major social determinants of mental illness?</i>	90
<i>How do adverse childhood experiences influence the risk for a mental illness?</i>	91
<i>Can drug use or abuse cause a mental illness?</i>	92
<i>Are mental illnesses contagious?</i>	93
<i>Can parents cause mental illnesses in their children?</i>	93
<i>Can parents and other caregivers positively impact the course of a mental illness in their loved one?</i>	94
<i>Can one’s friends influence their risk for a mental illness?</i>	95
<i>What is the impact of the media, and of social media, in mental health and illness?</i>	96

## **9 What Parts of the Brain Are Involved in Mental Illness? 98**

<i>How do we know which parts of the brain are involved in mental illnesses?</i>	98
<i>Are mental illnesses caused by injury or insult to the brain?</i>	101
<i>Which parts of the brain are related to which symptoms of mental illness?</i>	103
<i>What are neurotransmitters, and what role do they play in mental illness?</i>	104
<i>Do medications, vitamins, and nutrients help create neurotransmitters?</i>	105
<i>Does a mental illness change our brain?</i>	106
<i>Can abnormalities in the brain be changed by treatment?</i>	107
<i>Are other parts of the body besides the brain involved in mental illnesses?</i>	108

<b>10 How Are Mental Illnesses Treated?</b>	<b>111</b>
<i>Are mental illnesses simply a choice?</i>	111
<i>What are the major forms of therapy that can help with the symptoms of mental illness, and how do they work?</i>	112
<i>What types of medications can work for which mental illnesses?</i>	113
<i>What are the risks and benefits of psychiatric medications?</i>	116
<i>How can we tell if a psychiatric medication is working?</i>	117
<i>What are the common side effects of psychiatric medications?</i>	118
<i>Must psychiatric medications be taken for one's entire life?</i>	118
<i>Can medication holidays be helpful?</i>	119
<i>What forms do psychiatric medications come in, and what are their benefits?</i>	120
<i>Besides psychotherapy and medication, are there other methods to treat mental illnesses?</i>	121
<i>Can someone with a mental illness ever be treated or sent to the hospital without their consent or against their wishes?</i>	123
<i>Will a clinician keep the details of my mental illness and treatments private and confidential?</i>	124
<i>Are there some things that clinicians cannot keep private and confidential?</i>	125
<b>11 What Courses and Outcomes Are Possible for Those with a Mental Illness?</b>	<b>126</b>
<i>Do mental illnesses increase the chance of having other diseases?</i>	126
<i>Do mental illnesses lead to a decreased lifespan?</i>	128
<i>What functional impairments are common in people with a mental illness?</i>	129
<i>What challenges might a mental illness pose to an individual?</i>	130
<i>What strengths are common in individuals with a mental illness?</i>	131
<i>How can we promote resilience in those with a mental illness?</i>	132
<i>Can affected individuals make a full or a partial recovery from a mental illness?</i>	132
<i>Can we live a "normal life" with a mental illness?</i>	134

## **12 How Can Affected Individuals and Their Families Cope with a Mental Illness? 136**

*What are coping skills, and are they healthy?* 136

*How can I learn coping strategies?* 138

*Is there anything I can do on my own to treat or minimize the symptoms of mental illness?* 139

*Can someone's diet affect their symptoms of a mental illness?* 140

*What organizations support individuals with a mental illness and their families?* 141

*What should we do if someone we care about is experiencing symptoms of a mental illness but won't seek help?* 142

*What should we do if someone we care about decides to stop treatment for their mental illness?* 143

## **13 What Is a Mental Health Crisis or Emergency? 145**

*What are some signs that indicate someone might be experiencing a crisis?* 145

*How do I know if someone is having a true mental health emergency?* 146

*What should I do if someone is suicidal?* 147

*When should I call 911 or 988 emergency services?* 148

*How can I help someone who is actively struggling with anxiety?* 149

*What should I do if someone is having a panic attack?* 150

*How can I help someone in a psychotic episode?* 151

*How do I know if it is dangerous to approach someone during a mental health crisis?* 152

*What should I avoid doing or saying during a mental health crisis?* 153

*What happens if someone is taken to the hospital during a mental health crisis?* 153

*How can I take care of myself after helping someone through a crisis?* 155

*How can I get better prepared to handle a mental health crisis or emergency?* 155

**14 How Can I Learn More About Mental Illnesses? 157**

*Where can I find detailed descriptions of all recognized mental illnesses?* 157

*Where can I learn more basic facts about mental health and mental illnesses?* 158

*Are there guides that can help us improve the conversation about mental illnesses in our schools and in society?* 159

*Are there resources to help us learn more about the science of mental illnesses?* 159

*How can I know if I or my loved one is receiving the best treatment for a mental illness?* 160

*Where can I find some compelling or inspirational personal narratives about mental illness?* 161
